

| <b>PROGRAM</b>   | <b>GRADUATES<br/>2016</b> | <b>HEADCOUNT<br/>2015-2016</b> |
|--|---------------------------|--------------------------------|
| <b>Architectural &amp; Building Engineering Technology</b><br>Associate of Applied Science | 3                         | 12                             |
| <b>Architectural Engineering Technology</b><br>Bachelor's of Science                       | 9                         | 36                             |
| <b>Civil &amp; Environmental Engineering Technology</b><br>Associate of Engineering        | 17                        | 42                             |
| <b>Computer Engineering Technology</b><br>Associate of Engineering                         | 0                         | 5                              |
| <b>Computer Engineering Technology</b><br>Bachelor's of Science                            | 6                         | 27                             |
| <b>Electrical Engineering Technology</b><br>Associate of Engineering                       | 10                        | 40                             |
| <b>Electrical Engineering Technology</b><br>Bachelor's of Science                          | 6                         | 29                             |
| <b>Electromechanical Engineering Technology</b><br>Bachelor's of Science                   | 15                        | 78                             |
| <b>Manufacturing Engineering Technology</b><br>Bachelor's of Science                       | N/A                       | 17                             |
| <b>Mechanical Engineering Technology</b><br>Associate of Engineering                       | 16                        | 40                             |
