-  **Get your FSA ID.** In order to complete the FAFSA, the student and one parent should individually obtain a Federal Student Aid ID online at fsaid.ed.gov. You'll use your FSA ID to electronically sign your FAFSA.
- **Vermont Tech's FAFSA code is 003698.**

NOVEMBER

The VSCS portal can be accessed at portal.vsc.edu.

APRIL

 **Check your financial aid document status online** by going to the VSCS portal at portal.vsc.edu. Follow up promptly with any requested items.

Review aid and submit deposits: You are **not required** to accept financial aid. However, it is your responsibility to notify the Financial Aid office if you wish to decline or revise (decrease) all or part of the aid offered. You may do this via the Portal/Web Services or by completing and returning a **declination/revision form** found at vtc.edu/FA-forms. Submit a tuition and housing deposit by the **May 1** deadline, and respond if we request any additional documentation, such as tax return transcripts, W-2s, or the Veterans Affairs Certificate of Eligibility Form.

Note: Not all students require financial aid follow-up. Check the online portal every week to see what else you need to submit.

JULY

 **First-time Federal Direct Stafford Loan borrowers:** Complete your entrance counseling session and sign your Master Promissory note online at www.studentloans.gov.

 **Federal Direct Parent Loan (PLUS) borrowers:** Parents must sign their Master Promissory Notes at www.studentloans.gov.

Note: You can't receive these loans without completing entrance counseling and signing promissory notes.

Payment Options: If your awarded financial aid is less than the cost of your education, your student account will be unsettled due to an outstanding balance. You must review your student account and, if necessary, determine a funding method such as a federal Parent PLUS loan, alternative loan, or payment plan, that fulfills your financial obligation.

MAY

 **By May 1, you can reserve your spot at Vermont Tech for the fall semester with a \$200 deposit.** Students planning to live on campus must also submit a housing contract and an additional \$100 housing deposit.

Note: This deposit is not covered by your financial aid or any outside loans or scholarships.

 **New student borrowers accepting federal loans:** You must sign a Master Promissory Note and complete Entrance Counseling online at www.studentloans.gov.
