

2010 - 2011 Verification Worksheet

Federal Student Aid Programs

Your application was selected for review in a process called "Verification." In this process, your school will be comparing information from your application with signed copies of your and your spouse's 2008 Federal tax forms, or with W-2 forms or other financial documents. The Federal Department of Education requires us to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, we may need to make corrections.

Complete this verification form and submit it to your financial aid counselor as soon as possible, so that your financial aid won't be delayed. Your financial aid counselor will help you.
