Account Activation

To activate your Vermont Tech account go to [http://support.vtc.edu/account/](http://support.vtc.edu/account/)

- In order to access the Vermont Tech computer network and software from any Vermont Tech campus location, students must activate their account prior to arrival on campus

- Please note: Activating an account will result in a username and password. Students must bring their username and password to campus with them

Computer Recommendations

To view a list of computer recommendations for incoming students, please go to [http://support.vtc.edu/general/computer-recommendations/](http://support.vtc.edu/general/computer-recommendations/)
