

January 2, 2018

Dear Accepted Dental Hygiene Student,

Congratulations on your acceptance into the Vermont Technical College Department of Dental Hygiene! We know that you probably have many questions regarding the program and we would like to answer them for you.

I have developed a short video that will provide you with a great deal of information. You can locate it at the following website: vtc.edu/dental-orientation

In addition, we will be holding a **required** orientation session for newly accepted students on Thursday June 28th from 8:30 am – 5:00 pm at the Williston Campus. Additional information regarding this session will be sent to you at a later date. You will need to attend this orientation session to be measured for your magnification lenses and uniforms, complete important documentation and register for your classes. If you wear prescription glasses please bring your prescription with you. Feel free to bring a family member or friend to join you if you'd like. Please email the department of dental hygiene at dhygiene@vtc.edu as soon as possible to let us know that you plan to attend and if you require directions. If you live outside of Vermont and are unable to attend this session, email the department to make other arrangements.

Again, congratulations and we look forward to providing you with an outstanding educational experience.

Sincerely,

Ellen B. Grimes, RDH, MA, MPA, Ed.D
Program Director
