POSITION ANNOUNCEMENT

December 4, 2015

Position Title: Assistant Professor – Science
Full-time, temporary faculty,

Location: Randolph Center Campus

Responsibilities: Teach science courses (physics) to diverse populations of Vermont Tech programs. Courses may include General Physics, Physics I, Physics II and respective laboratory sections.

Note: additional information about the course descriptions may be viewed at the Vermont Technical College website at www.vtc.edu.

Qualifications Ph.D. in Physics or a related field is preferred, with a M.S. degree being the minimum requirement. Candidates pursuing an advanced degree in the next 5 years will be considered. Previous experience teaching college level physics required. Online use of teaching platform such as Moodle or Blackboard a plus. Successful hire will be responsible for teaching 14.02 contact hours in the Spring 2016 semester.

Starting Date: January 18, 2016 to May 18, 2016.

Application Deadline: Applications will be reviewed until position filled.

To Apply: Submit Vermont Tech employment application, cover letter & resume to jobs@vtc.edu. Employment application is available on the Vermont Tech website: www.vtc.edu/employment.

NOTE: This job is subject to a fingerprint- supported criminal background check. Any offer of employment is contingent upon the satisfactory results of this check.

Vermont Tech strongly encourages applications from members of ethnic minority groups and other under-represented backgrounds. Vermont Tech is an Equal Opportunity Employer and a member of the Vermont State Colleges system. In compliance with ADA requirements, we will make reasonable accommodations for the known disability of an otherwise qualified applicant.
