Vermont Technical College’s Market Garden is now accepting applications from any current college student for temporary summer/fall employment. The Garden in Randolph Center is part of the Institute for Applied Agriculture and Food Systems at VTC and we grow using organic practices on 2 acres of vegetable fields, .5 acres for fruit production, as well as in a tomato greenhouse. We sell our produce to 4 Vermont college cafeterias (including VTC’s) and donate produce to the Randolph Area Food Shelf to help fight food insecurity in our community and increase access to fresh, local and healthy produce.

We are currently looking for 3 part time employees who would work 5 hours per day 4 days per week for a total of 20 hours per week. Pay will be $9.30/hour and the positions would all start in early May and end in early October (dates can be flexible when school is in session). Garden staff will report to the Market Garden manager and benefits are not provided.

Garden Crewmember job requirements include being able to handle various extremes in weather conditions, lifting 50 pounds, bending, repetitive movements, and other strenuous activity. Must also be able to engage and interact with community and youth groups on educational visits. Tasks will include, but are not limited to, planting, transplanting, weeding, harvesting, washing, cleaning, and packaging produce, bed preparation, and driving the farm truck. Tractor operation is optional but encouraged and training will be provided. Valid driver’s license required.

To apply, please submit a completed Vermont Tech employment application, located on the Vermont Tech website, [www.vtc.edu/employment](http://www.vtc.edu/employment), to Eva Loomis, AmeriCorps VISTA and Market Garden Manager at eloomis@vtc.edu or in person in Judd Hall by 4 pm on Friday March 27, 2015.
