

Financial Aid Options for VAST Students

As high school students, VAST students are not eligible to receive federal financial aid. There are however some avenues VAST students can pursue for financial aid:

Free Application for Federal Student Aid (FAFSA): www.studentaid.gov

Students can complete the FAFSA (for the current academic year) and if deemed eligible for the Federal Pell Grant, they are then awarded the Vermont Tech VAST Fee Waiver, which waives all student fees except for aviation flight fees.

VSAC State Incentive Grant: www.vsac.org

Students who are VT residents can complete the VSAC grant application by creating a MyVSAC.org account and completing the Incentive Grant application. If deemed eligible, VSAC will award up to a \$1000 grant to VAST students.

VSAC Choice Loan: www.vsac.org/vsac-vermont-choice-loan

Private student loan option through VSAC which requires a cosigner. Apply through VSAC's website.
