Mandatory Health Form

ALL HEALTH PROFESSIONS STUDENTS: *NURSING, DENTAL, RADIOLOGIC
SCIENCE, RESPIRATORY THERAPY AND PARAMEDICINE*

COMPLETE AND SEND ORIGINAL TO:
Vermont Tech Health Center and Upload to CastleBranch
KEEP COPIES FOR YOUR RECORDS

DUE DATE: June 1st, 2022

Congratulations on your acceptance to Vermont Technical College! We welcome you to our community.

THE ENCLOSED FORM REQUIRES YOUR IMMEDIATE ATTENTION. ATTENDANCE CANNOT BE PERMITTED UNTIL A COMPLETED HEALTH FORM IS RECEIVED AND UPLOADED TO CASTLEBRANCH.

Be sure to complete all pages. **The third and fourth pages are to be completed by your health care provider.** Most of the specific questions asked are to fulfill our responsibility to protect the health of the college community. **Please submit all four (4) pages to Castle Branch as well as the Vermont Tech Health Center. Make a copy for your records before submitting the originals to Vermont Technical College, Health Center, and PO Box 500, Randolph Center, VT 05061.**

Due to problems with immunity in many college-age persons, and the close living conditions in the residence halls, outbreaks of measles and other vaccine preventable diseases have become increasingly frequent on college campuses. Serious complications can occur from these diseases, especially with measles. If you have difficulty obtaining immunization data, the school that you most recently attended may have this information.

Hepatitis B vaccine is now a Vermont required immunization. Community living on a college campus supports an environment where sharing of illness occurs, including communicable diseases such as Hepatitis B. You may also want to consider vaccination against meningococcal disease. First year students living in residence halls are at a greater risk. Please discuss this with your health care provider when you have your physical.

Health Professions students are not exempted from immunization requirements. Immunization documentation is a requirement of all clinical facilities that host these students. Please contact your site or program director with any questions or concerns.

- ◆ **NOTE:** We suggest that you make an appointment with your health care provider as soon as possible for your physical exam. This will eliminate a delay in processing your health form.
- ◆ **NOTE:** **The COVID-19 vaccine and booster(s) are required by Vermont Technical College. Students admitted to a Health Major, with approved medical or religious exemptions, will likely jeopardize their ability to be placed in a clinical setting due to the vaccination requirements of our clinical partner facilities. An approved exemption may lead to a consequence that interrupts or delays your education in a manner that is outside of the college's control.**
