

2022

PROGRAM	GRADUATES 2022	HEADCOUNT 2021-2022
Architectural & Building Engineering Technology Associate of Applied Science	5	8
Architectural Engineering Technology Bachelor's of Science	9	26
Civil & Environmental Engineering Technology Associate of Engineering	6	17
Computer Engineering Technology Associate of Engineering	3	7
Computer Engineering Technology Bachelor's of Science	5	24
Construction Management Associate of Applied Science	8	10
Construction Management Bachelor's of Science	5	29
Electrical Engineering Technology Associate of Engineering	6	21
Electrical Engineering Technology Bachelor's of Science	5	30
Electromechanical Engineering Technology Bachelor's of Science	7	32
Manufacturing Engineering Technology Bachelor's of Science	4	22
Mechanical Engineering Technology Associate of Engineering	12	31

2021

PROGRAM	GRADUATES 2021	HEADCOUNT 2020-2021
Architectural & Building Engineering Technology Associate of Applied Science	6	10
Architctural Building Technology Bachelor's of Science	7	36
Civil & Environmental Engineering Technology Associate of Engineering	10	25
Computer Engineering Technology Associate of Engineering	1	5
Computer Engineering Technology Bachelor's of Science	7	28
Construction Management Associate of Applied Science	7	9
Construction Management Bachelor's of Science	7	34
Electrical Engineering Technology Associate of Engineering	8	26
Electrical Engineering Technology Bachelor's of Science	10	33
Electromechanical Engineering Technology Bachelor's of Science	5	38
Manufacturing Engineering Technology Bachelor's of Science	7	22
Mechanical Engineering Technology Associate of Engineering	11	22

2020

PROGRAM	GRADUATES 2020	HEADCOUNT 2019-2020
Architectural & Building Engineering Technology Associate of Applied Science	4	13
Architectural Engineering Technology Bachelor's of Science	5	34
Civil & Environmental Engineering Technology Associate of Engineering	9	33
Computer Engineering Technology Associate of Engineering	3	10
Computer Engineering Technology Bachelor's of Science	3	35
Construction Management Associate of Applied Science	10	16
Construction Management Bachelor's of Science	8	38
Electrical Engineering Technology Associate of Engineering	10	25
Electrical Engineering Technology Bachelor's of Science	7	36
Electromechanical Engineering Technology Bachelor's of Science	11	59
Manufacturing Engineering Technology Bachelor's of Science	7	24
Mechanical Engineering Technology Associate of Engineering	15	36

2019

PROGRAM	GRADUATES 2019	HEADCOUNT 2018-2019
Architectural & Building Engineering Technology Associate of Applied Science	8	11
Architectural Engineering Technology Bachelor's of Science	6	30
Civil & Environmental Engineering Technology Associate of Engineering	9	25
Computer Engineering Technology Associate of Engineering	3	4
Computer Engineering Technology Bachelor's of Science	5	26
Construction Management Associate of Applied Science	9	23
Construction Management Bachelor's of Science	15	39
Electrical Engineering Technology Associate of Engineering	11	21
Electrical Engineering Technology Bachelor's of Science	9	45
Electromechanical Engineering Technology Bachelor's of Science	18	25
Manufacturing Engineering Technology Bachelor's of Science	8	19
Mechanical Engineering Technology Associate of Engineering	22	37

2018

PROGRAM	GRADUATES 2018	HEADCOUNT 2017-2018
Architectural & Building Engineering Technology Associate of Applied Science	8	11
Architectural Engineering Technology Bachelor's of Science	6	30
Civil & Environmental Engineering Technology Associate of Engineering	9	25
Computer Engineering Technology Associate of Engineering	3	4
Computer Engineering Technology Bachelor's of Science	5	26
Construction Management Associate of Applied Science	3	20
Construction Management Bachelor's of Science	10	42
Electrical Engineering Technology Associate of Engineering	11	21
Electrical Engineering Technology Bachelor's of Science	9	45
Electromechanical Engineering Technology Bachelor's of Science	18	25
Manufacturing Engineering Technology Bachelor's of Science	8	19
Mechanical Engineering Technology Associate of Engineering	22	37
